

Northwest Florida's beloved William "Bill" Maloy.

Dr. Maloy was born in Des Moines, Iowa and grew up in Omaha, Nebraska. During World War II, he answered the call of duty and served our Nation with honor and distinction in the United States Navy. He was awarded the Silver Star for his gallantry in action. After the war, Dr. Maloy attended the University of Nebraska where he earned a bachelor's and master's degree in education, while also being commissioned into the Naval Reserves. He was recalled to active duty during the Korean War and came to Pensacola, Florida, intending to pursue a naval career; however, Dr. Maloy soon realized that he had a true passion and aptitude for teaching, and after the end of the war, he dedicated himself to education.

Dr. Maloy began his teaching career in Northwest Florida as a teacher and assistant dean at Pensacola High School (PHS). After two years at PHS, Dr. Maloy moved to Tallahassee to pursue his doctorate degree in educational technology. This experience led Dr. Maloy to appreciate the important role that technology would play in education, and he proved to be a strong proponent of integrating technology into the curriculum throughout his career. After completing his doctorate in 1958, Dr. Maloy moved back to Pensacola to serve as Assistant Principal at Escambia High School.

In 1959, Dr. Maloy began working with the Florida Department of Education, helping to spearhead Florida's first efforts to utilize new technology as a teaching tool. During the Cuban Missile Crisis, Dr. Maloy again answered our nation's call and served as Executive Officer and subsequently Commanding Officer of the USS *Tweedie*, a *Butler*-class destroyer escort. After finishing his service, he accepted a position at Florida State University, where he became Assistant Dean of the College of Education. His expertise and dedication to education led him to serve as Education Advisor to two Florida governors, before becoming the Senior Civilian Advisor to the Chief of Naval Education and Training. In 1978, he was appointed to the Florida Board of Regents, the governing body for the State University System of Florida, and helped oversee the state's public universities.

In 1992, Dr. Maloy was elected as Superintendent of Schools in Escambia County. As Superintendent, he was credited with beginning the technological revolution in the school district, and he helped move the district to the forefront of instructional education technology adopting applications to help improve student experience and performance. In 1996, he retired as Superintendent and moved to the University of West Florida where he taught until his retirement in 2009.

Dr. Maloy was a loving and dedicated husband and father who instilled in his children the importance of education in helping to improve the lives of every child in America. Two of Dr. Maloy's sons went on to become educators, continuing the family legacy of promoting excellence in education. Family was everything to Dr. Maloy, and he was a true inspiration to his four children, fourteen grandchildren and one great-grandchild.

To some, Dr. Bill Maloy will be remembered as a world-class educator and innovator who saw the importance of technology in education and helped to implement it in the classroom.

To others, he will be remembered as a true patriot who served his country with honor and distinction in World War II and the Korean War. To his family, he will most fondly be remembered as a loving husband, father, grandfather and great-grandfather. His contributions to education in Northwest Florida and throughout the entire State have improved the lives of countless students.

Mr. Speaker, on behalf of the United States Congress, it gives me great pride to honor the life and selfless service of Dr. William "Bill" Maloy. My wife Vicki joins me in extending our most sincere condolences to the entire Maloy family.

#### CELEBRATING THE ROCKLEDGE JUNIOR LEAGUE BASEBALL TEAM'S WORLD SERIES VICTORY

#### HON. BILL POSEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 12, 2012

Mr. POSEY. Mr. Speaker, I rise today to congratulate the Rockledge Junior League Baseball team for winning the Junior League World Series championship at Heritage Park in Taylor, Michigan on August 18, 2012.

Thirty-two years after the Junior League Baseball World Series was established in 1981, Rockledge became the tenth Florida team to bring home a championship.

The team dominated across the state of Florida, with a record of 11–0. Rockledge continued forward to defeat five state champions from Virginia, Tennessee, North Carolina, Georgia, and Alabama. They traveled for 1,158 miles and 19 hours to Michigan with a record of 16–0 as the USA Southeast regional title holder, and triumphed to become the USA bracket leader. Only team Aruba, the international title holder, was standing between the ambitions of Rockledge team members, who were led by Manager David Clanton and Coaches Tom Hall and Robbie Robedeau.

The championship began with a quick 5–2 lead as Rockledge asserted its presence. Justin Robedeau, Kevin Clanton, Trevor Payne, Andrew Parrish, Mason Studstill, Blake Beyel, Brady Martello, Michael Hall, Gavin Spinneweber, and Jackson Parker each maintained their confidence while Aruba inched closer, shortening the gap 9–8 in the 6th inning.

The Rockledge All Stars kept their composure and brought home a 12–10 win in the 8th inning. Managed by an exceptional coaching staff, each teammate played a major role in winning the World Series title, with a final 22–0 post season record. We salute the Rockledge Junior League Baseball team for their success and the measure to which they represented our community and state.
